

Thanks and Giving Trees

Print out one Thanks Tree and one Giving Tree for each person.

Print out a couple of pages of leaves for each person.

Starting on November 1st cut out one leaf and write something you are thankful for. Glue the leaf to the Thanks Tree.

Cut out another leaf and write something you did to help or give service to someone else that day. It can be as simple as a smile, singing a song to make someone feel better, or writing a letter to Grandma. Glue this leaf to the Giving Tree.

Do this each day leading up to Thanksgiving. By Thanksgiving your trees will be full of leaves! On Thanksgiving read what everyone is thankful for and what they did to give to others.
