

**Cupid has come to sprinkle
you with love & cheer,
for Valentine's Day comes
only once a year!**

**Look in a place that's
under your head,
and is on your nice,
cozy bed.**

**Look in a place where
you will find a drink
and it's not the sink!**

**Look in a place where you
give your hands a scrub
and take a soak in the tub!**

**Look in a place
that you lock,
what's that I hear,
knock, knock,
knock!**

**Look in a place
where you would sit
and rest a bit!**
