

with the back side up, fold from corner to corner, making a triangle

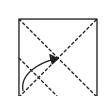

open up the paper (back facing up again) and fold from corner to corner in the opposite direction.

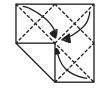

fold one corner to the center of the square, where the two diagonals meet.

paper.

repeat this with the other three corners.

this is what your paper will look like. Your square should be getting smaller.

turn your paper over.

fold the corner to the center of the square, where the two diagonals meet.

repeat this with the rest of the corners. Your square will be smaller.

fold and unfold the square in half horizontally.

fold and unfold the square in half vertically.

you'll have creases that look like this:

turn over & slide your fingers under the flaps and push the outer corners to the middle.
