

HELLO

Hi! Hello! And how are you?
I'm here from the North Pole with some work to do!

I've been sent by jolly old Santa himself,
I'm a watchful and magical Elf on the Shelf.

I am watching for what? Kindness, you see.
Love and cooperation, why that makes 3.

These 3 things so important to Santa are they,
I report on your behavior to Santa each day!

Touch me? No never, not ever, or my magic I lose.
In return, I will TRY not to make a mess
while you snooze.

Yours
truly,

GOODBYE

Cheerio and toodle loo!
It is time I say goodbye to you.

It has been swell.
It has been fun.
And now to the North Pole I must run.

Santa needs me. Why? You say...
Because tomorrow is Merry Christmas Day!

My job is finished.
You have passed the test!
I can't wait to tell Santa you've been THE BEST!

Please don't cry or shed one tear!
I'll be back same time just for YOU next year!

Cheers!
