

Mini Diorama Valentine Box

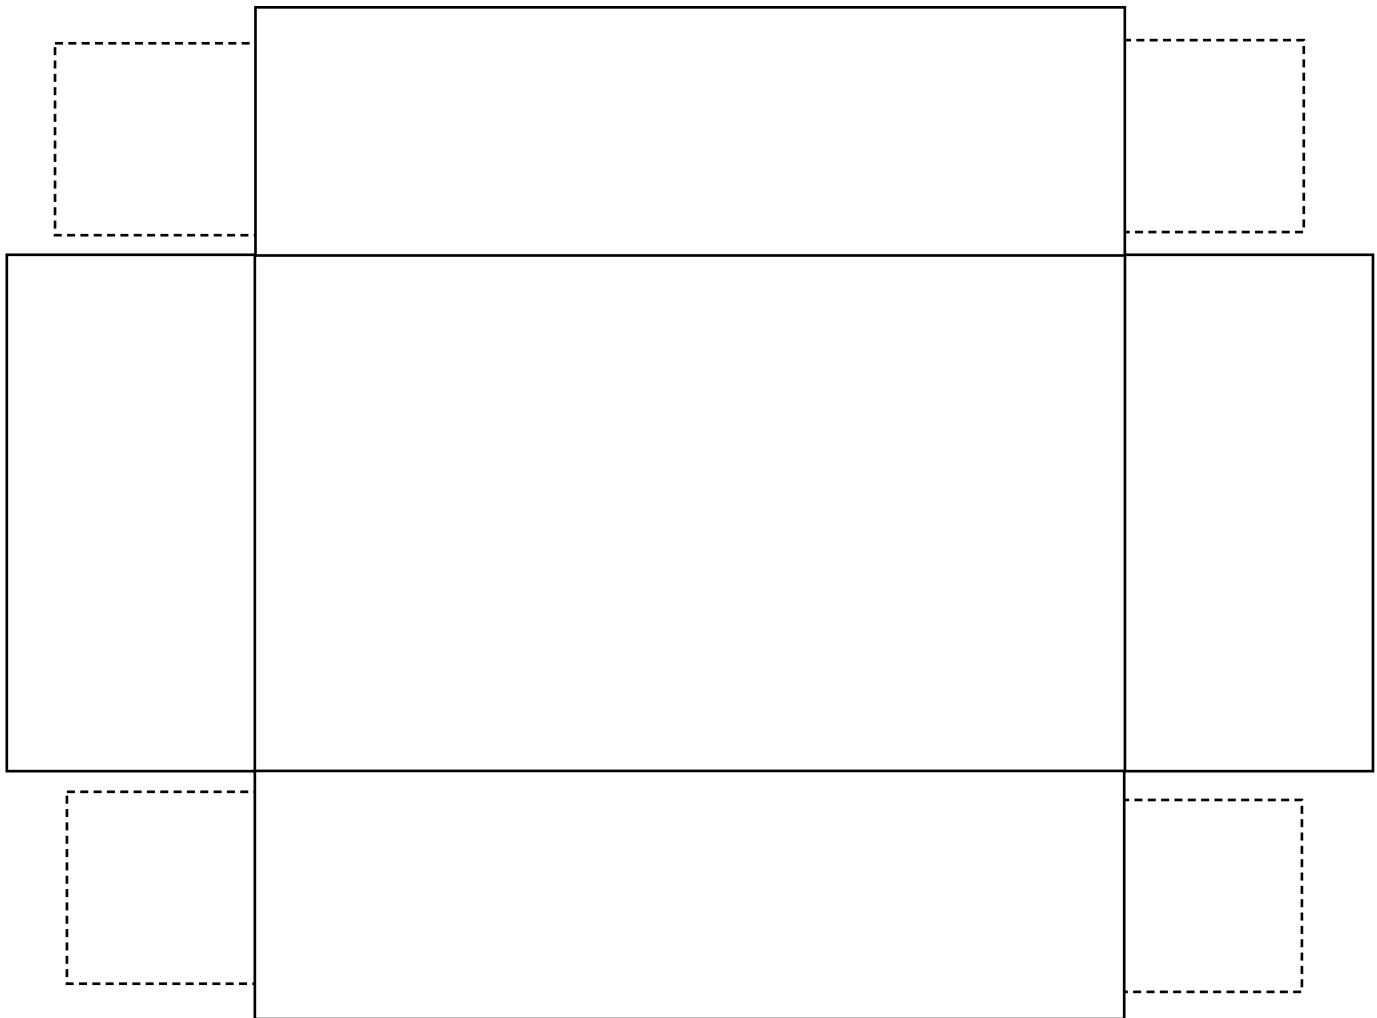

Create your very own mini diorama with this cute kit!

Use the box template below to make your box out of card-stock.

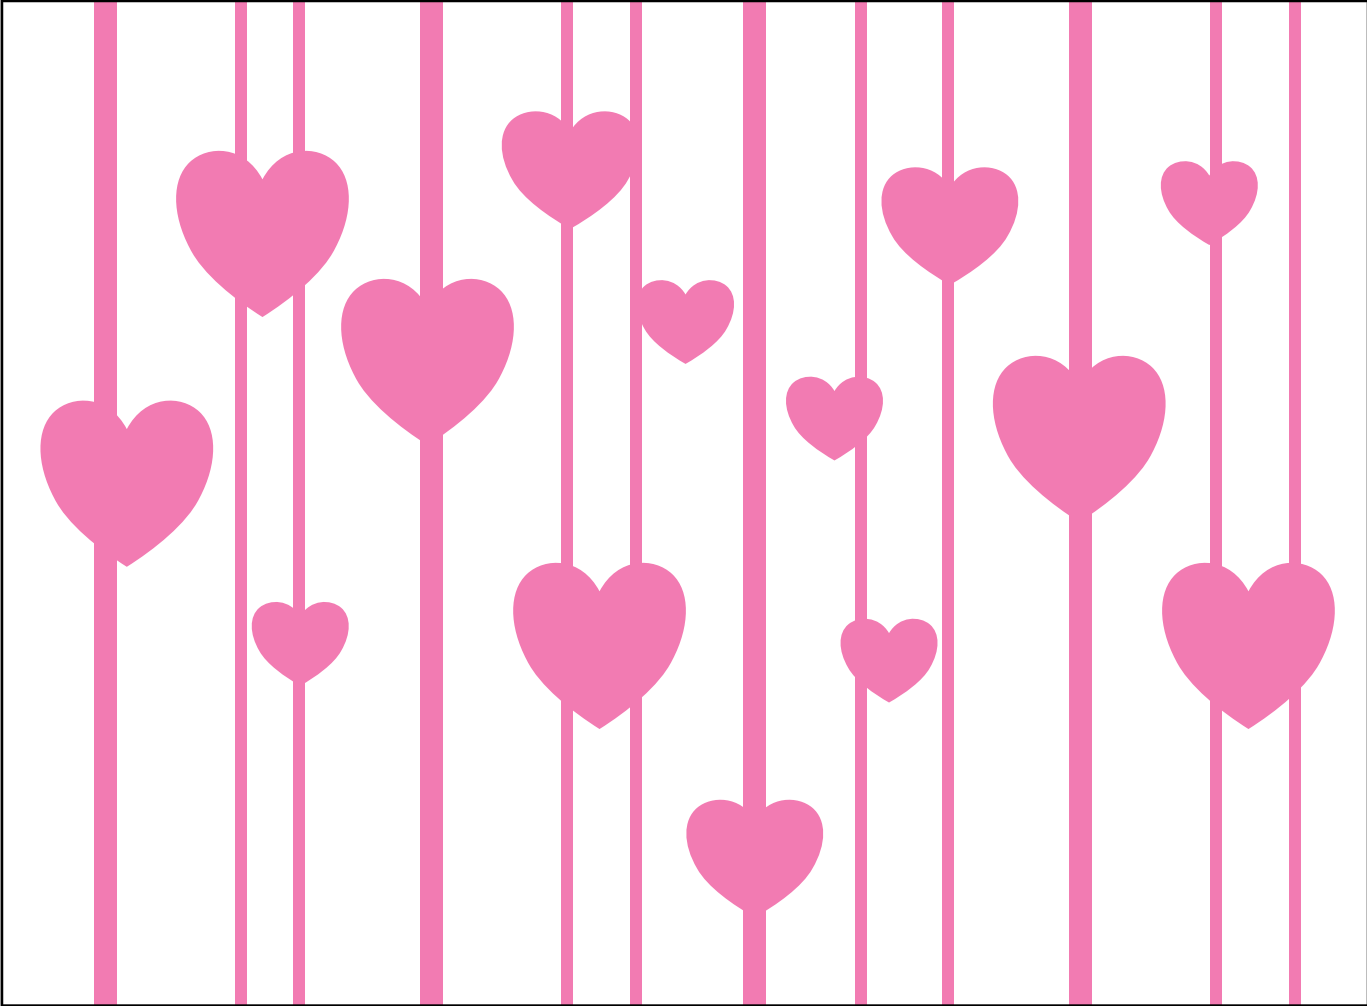

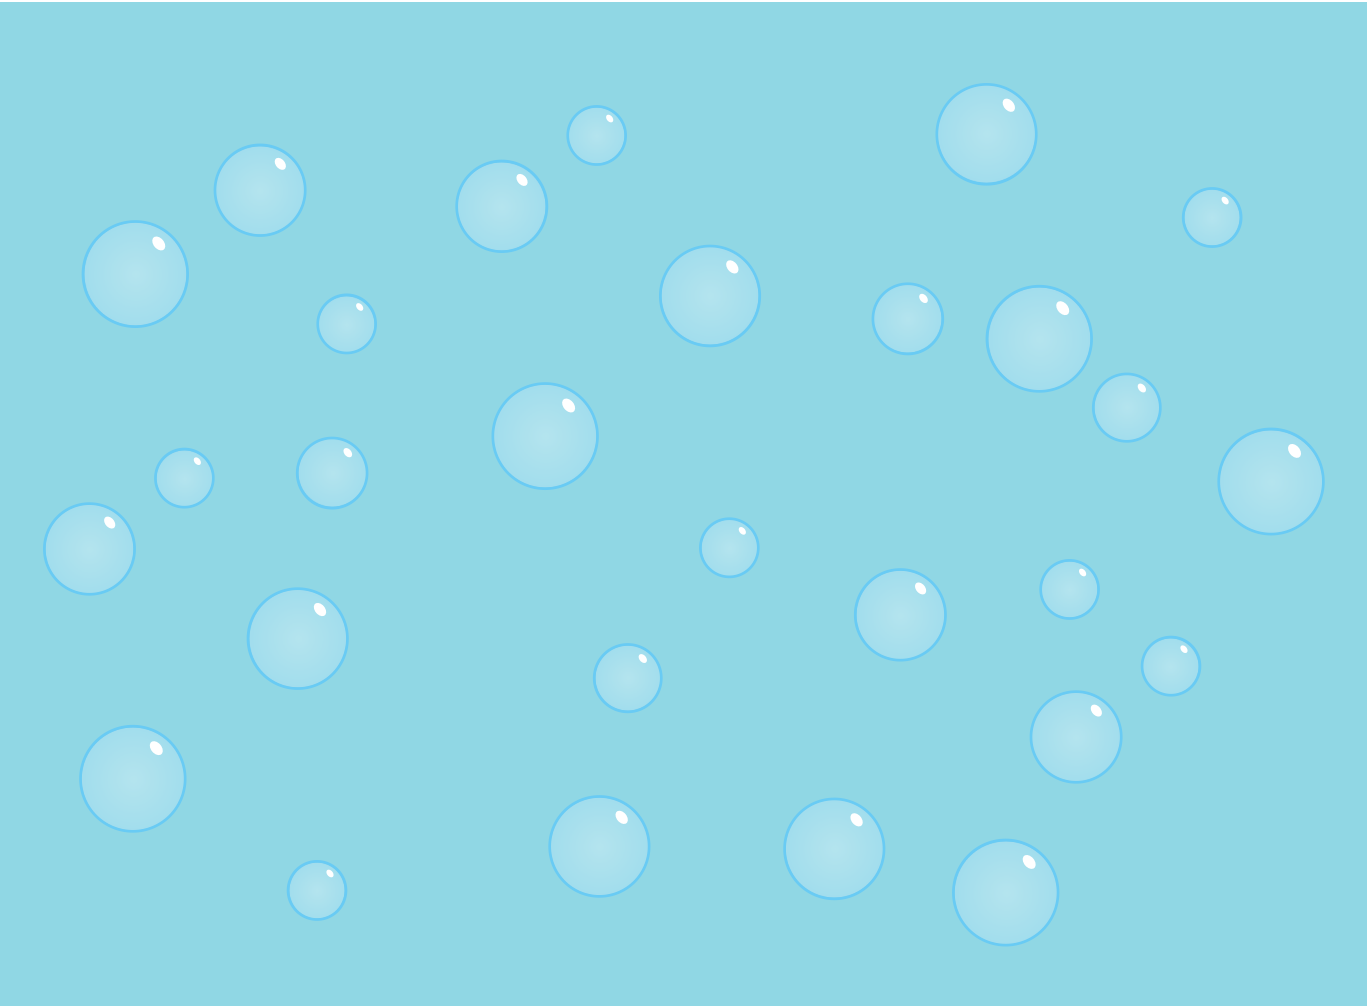

Get creative with the patterned pages and extras. Many of the items have tabs so you can "float" them inside the box. You can also use ribbon or sting to hang them, or glue them to the back. Enough decorative pages and extras to decorate your box inside and out!

You Will Need: Card-stock, Paper, Scissors, Glue
Optional: ribbon, Yarn, Glitter

Box Template, best printed on card-stock
